The State Executive Committee has canvassed the returns of the primary election held on Aug. 3, and declared Theo. G. Bilbo the nominee for governor over his four opponents by 1072 votes. With Mr. Bilbo goes in most of the ticket selected by his faction in State politics. While this paper was neutral and what work it did was merely against factionalism, we accept the results with the best of grace and feel certain we will have as good officials of the factionalists.

As we view the votes cast, it was merely a matter of naming the boss. It was almost a perfect factional fight and it matters little with us whose color must be worn the next four years.

We had hoped that the voters would break away from factionalism and vote for men and measures. But not so. More than a hundred thousand voters voted the factional tickets and that without regard to men or measures. During the last few weeks of the canvass it was not unusual to hear a voter condemn a candidate's platform and still declare that he was supporting him nevertheless. It was also common to hear voters commend one candidate as being the best man for the place but that he

was going to vote for another. It was a consolidation of the controllable on both sides almost as perfectly as if there were two political parties.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

To whom it may concern:

This is to certify that Mr. E. H. Chennault, of Houston, Miss., has been suffering for some years with a bone affection of the foot which necessitated amputation. He is now in perfect health and should be able to return to active work in less than 30 days.

adv. Willis C. Campbell, M. D.

To the Voters of Chickasaw County

I want to offer you my sincere thanks for the splendid vote I received on August 3rd. No man could appreciate this mark of confidence more than I do.

I respectfully ask you to support me with your vote and influence on August 24th, and if I am elected I promise to give you faithful, efficient and skillful service as your Tax Assessor for the next four years.

Asking you again for your support and again thanking you, I am

Respectfully,
adv. W. J. WILLIAMS.

To the Voters of Chickasaw County:

I want to thank you one and all for your support on the 3rd. Words fail to express my gratitude. I intend to see each one of you personally before the 2nd primary the 24th if possible and should I fail to see you, I humbly solicit your support.

JOE L. DAVIS,
adv. Candidate for Sheriff.

To the Voters of Chickasaw County

Friends, I hereby make a personal appeal to you to vote for me for Tax Assessor Aug. 24. I earnestly ask whoever can to work for me for I may not be able to see all the voters before the election but will do my best to get around.

Gratefully I say, thank you, to each one who supported me Aug. 3, and I now express special thanks to each and every one who shall help and vote for me Aug. 24.

Respectfully yours,
adv. W. A. DENDY.

A Card

To the voters of Chickasaw County:

I take this method of thanking my friends for the splendid support accorded me in the first primary, and the confidence expressed, by that vote, in me for Chancery Clerk. This vote places me in the second primary, and I earnestly solicit your support on August 24th, assuring you that, if elected, I will devote my time and best energies in serving the people promptly and efficiently.

Thanking you in advance for your support, I am

Yours truly,
Tom H. Johnson.

Virtue.

Be careful to make friendship the child and not the father of virtue—Sir P. Sidney.

To the Voters of Chickasaw County

I wish to thank the people of Chickasaw County for the vote they gave me on the third of August. As most of you know I was unable to make the grand rounds on account of illness. I am still in bed, but am gradually improving, but it will be impossible for me to see any of the voters before the second primary. I therefore take this method of soliciting the support of the people in the second primary. I can only say that I would appreciate beyond my power to express if you would elect me to the Legislature to represent the First District of Chickasaw County, and that I will always, to the best of my ability, look after what I think to be the best interest of the county and state and carry out in the Legislature what I think a majority of the people of my county desire, whenever I may know their wishes.

Thanking you in advance for your support on the 24th of August, I am,

Respectfully yours,
adv. J. J. DAVIS.

To the Voters of Chickasaw County

By your liberal vote of August the third I have the honor of being one of your choice (by a good majority) to enter the second primary for Circuit Clerk.

Allow me to thank you for your vote—I am grateful.

I have always lived in Chickasaw. I love you and you have been good to me. I THANK YOU—I THANK YOU. Please remember me on August 24th.

Respectfully Yours,
adv. HILLER GILFOY.

To Voters of Chickasaw County

By your liberal vote of Aug. 3rd I am one of your choice. Voters I appreciate this kind deed of yours and I now appeal to you to help me on Aug. 24th. If there ever was a time in my life that I needed your support it is now. I shall be very grateful to you, for anything you may do for me, so please remember me on Aug. 24th.

E. H. Chennault.

COULD SCARCELY
WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.
